To

Sir

With reference to your official memorandum no. 722 of the 22nd November, forwarding, for my opinion, the enclosed petition from Narasimhachar and others praying for the transfer of the Anna Chattram from Yelwal to Sagarkatte, I have the honor to report that the Anna chattram was transferred from Sagarkatte to Yelwal in 1891 on the ground that considerable inconvenience had been experienced by the travelling public for want of a feeding chattram

at Yelwal, and that Yelwal is the central halting stage for travellers on the Bangalore, Mysore, Hassan and Coorg roads - (See Govt. Progs: No. 603-4 dated 8th December 1893). Sagarkatte is in a declining condition owing to Malaria and other causes of unhealthiness. There is no suitable building there for a Chattram; while at Yelwal a pucka building belonging to the late Damodar Dass Sait has been placed at the disposal of the Government for the Chattram. There is a feeding chattram at Yedatore which is hardly 6 miles from Sagarkatte. The Amildar reports that a feeding at Sagarkatte would be of use not to bonafide travellers but to witnesses resorting to civil courts from Salimire and other places. For these reasons I am strongly opposed to the retransfer of the Chattram to Sagarkatte.

I have the honor to be
Sir,
Your most obedient S

[illegible]
for Deputy Commissioner
Mysore District.
